PETITION FOR WITHDRAWAL OF NOTICE OF ABANDONMENT

Dear Sir:

In a Notice May 24, 1994, the Patent Office informed the undersigned that the above identified application was abandoned in view of Applicant's failure to timely file the drawings and/or submit new or substitute formal drawings by December 3, 1993. This Notice is believed to have been issued in error as the Applicant timely submitted the formal drawings when the Issue Fee was paid under an October 14, 1993 Certificate of Mailing date (see attached copy of the filed Submission of Formal Drawings and the returned postcard confirming receipt of the same). Accordingly, the Applicant respectfully requests withdrawal of the Notice of Abandonment and expedited examination of the filed formal drawings.

No petition fee is believed payable in view of this Petition however, in the event that a fee is due and payable, please charge the same to our Deposit Account No. 04-0213 indicated below.

In the event that the Patent Office disagrees with Applicant's assessment of this matter, the undersigned

07/898,003

respectfully requests that the Patent Office forward a formal explanation of why the Notice of Abandonment should not be withdrawn at this time.

In the event that there are any fee deficiencies or additional fees are payable, please charge the same or credit any overpayment to our Deposit Account (Account No. 04-0213).

Respectfully submitted
